

Dear Pastors, the Office of Family Life needs your help in identifying new **Lead Couples**.

*It is our goal to contact each engaged couple within seven days of receiving the "Marriage Preparation Form" from your parish and to schedule them into a class within 30 days.* Lead Couples share their faith and help engaged couples prepare for the sacrament of marriage. Most couples host one or two classes per year. Each class meets for five sessions of two hours each.

We are asking for your assistance, could you share with us the contact information for one to three couples from your parish who you believe would be an asset to our ministry. The new video-based program we are using, "Beloved," makes their task much easier than in the past and we will provide all necessary training.

Please call us at (417) 866-0841 with their contact information and ask for Kim or Nick. You can also Email their contact information to [nlund-molfese@dioscg.org](mailto:nlund-molfese@dioscg.org).

Thank you,

Nicholas C. Lund-Molfese, MA, JD  
Director of Social Ministry and Family Life  
Director of Health Affairs and Respect Life
