Entering 2018 Encouraged, Inspired, and Transformed

Our Goal: The Church must return to God Himself and be AWAKENED to who He is, who we are, and what we must do . . . Make Disciples! (Matthew 28:19-20). Our faith may have been small, but we serve a great God who accomplishes extraordinary things through ordinary people.

"And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God."

- Romans 12:2
