

# Purchase a “New Movers” Address List for Your Church

## Step One:

Login to your MissionInsite study and create any geography such as a radius, zip code or custom area using the SHAPES menu.

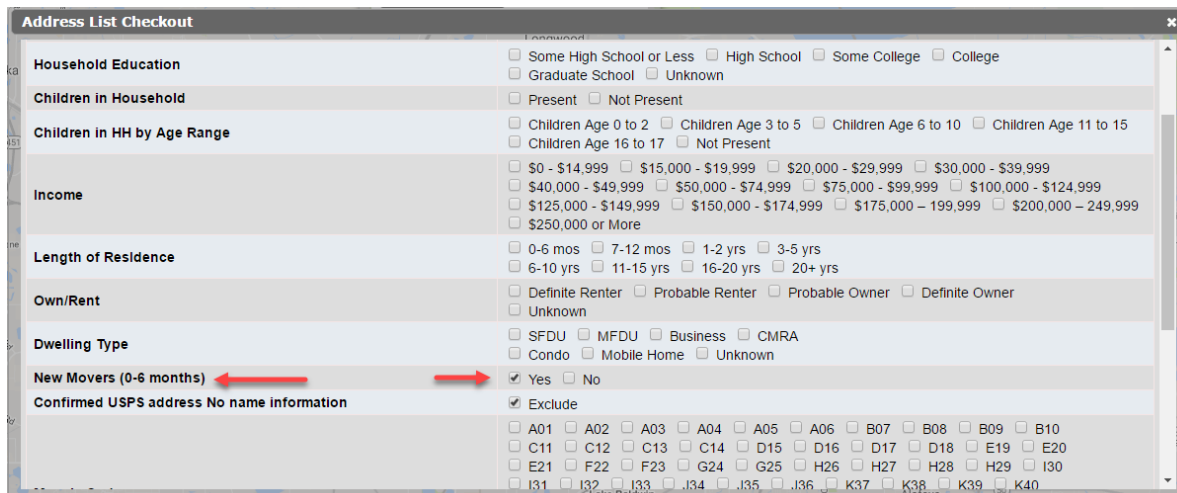

## Step Two:

From the INFO Box select “Purchase Address List” and Accept the Terms on the Address List Acknowledgment page.

## Step Three:

From the Address List Checkout page, check the box next to “New Movers”. You may also further qualify your household demographics by other attributes such as Mosaic Household Types, Age, Income, Marital Status, etc. Click NEXT at the bottom of the page.

#### Step Four:

Review the resulting record count from the Address List Checkout box and the total cost for the order. You may change the number of desired records, change demographic selects or start with a new geography. You may also preview the list prior to purchase.

When you are ready to purchase your address list, select "Checkout" and follow the instructions for purchase.
