Rising Starz Company members will have a maximum of 2 competition dances. Dancers must obtain permission to do a solo or duo/trio.
- All Dance Company Members excluding Mini team members will attend 3 weekend long conventions (one in-house) and 5 competitions. Our Mini competition team will attend 1 weekend long convention and 5 competitions. Convention and competition dates will be announced at our mandatory parent company meeting, which will be held in late September/early October 2017. We will not be attending a National competition for the 2017-2018 competition season.
- In addition to monthly costs, all competition dances require a one-time choreography fee ranging from \$175.00 to \$250 per dance depending on number of dancers and choreographers. A \$200 Deposit is due June 5, 2017. The balance of the Choreography Fees will be due June 23, 2017. If chosen to be in a dance choreographed by an outside choreographer there will not be a deposit only a direct payment at the time of choreography. Outside Choreography fees will vary dependent on choreographer and number of dancers.
- Mandatory Summer Intensive, June 19-22. During this intensive we will offer many different classes, with some of our studio Teachers and outside Choreographers. Please hold July 23<sup>rd</sup> open as we will plan a fun company afternoon event for the dancers. The cost of this intensive is \$375.00 per dancer. Fees for this will be due by June 2<sup>nd</sup>.
- There is a mandatory choreography boot camp beginning July 26<sup>th</sup> through August 6<sup>th</sup> and all following weekends in August, if needed. Dancers will be emailed a schedule with required times for each of their dances. If choreography time is missed, you must get private lessons with the choreographer. You may also be choreographed out of sections that you miss. For outside choreographers, if you miss the master classes, you **MAY NOT** audition to be a part of an outside choreographer's dance.
- Attendance will be a major factor in determining each member's role in Company. We will be checking past attendance records for each current and prospective dancer for all required classes (not just Company rehearsals) during the past year. For returning dancers, their Centerstage Starz account balance must be paid in full to be accepted onto the 2017-2018 competitive team.
