Thursday, October 18 and Friday, October 19, 2018

Program Includes:

Transportation

Students will be transported from their Elementary School to our Academy in a 15 passenger van.

Snack

After a tough day at school, kids will need nourishment! We provide a low calorie snack that will prepare the students for their Martial Arts class.

Learning Center

After School students have their own cubby and area for finishing homework. This room also serves as an area for games, movies, and more until parent arrival.

Martial Arts

The greatest benefit of our After School Program is the Martial Arts training! Students will have a blast learning effective self defense techniques while enhancing life skills and fitness!
