

FIRST U & YOU: A RECIPE FOR SUCCESS

OPPORTUNITY

The Best No-Prep Dinner

Forget the “Top 15 15-minute meals” or “Six-and-a-half slow cooker suppers that might burn down your house while you’re out,” and stick with this *no-prep* dinner that is almost too good to be true! Yes, the whole family can enjoy a delicious meal together with friends and community at Gather, a local eatery, on March 16 with two seatings — one at 5pm and one at 7pm (sign up at church after worship). Even better, this Gather night is a fundraiser for First U that involves no set up, no clean up, no work of any kind. It’s also fun, builds community, is family friendly, involves eating and drinking good food which is locally sourced, and supports local business. Now you can save those Pinterest recipe listicles for another day!

CELEBRATION

A Sweet Treat—For Your Ears!

Did you know that four out of five doctors recommend feeding your ears with live music at least once per month? Or they would, once they got around to doing the study. In the interest of your good health, and to show off and celebrate our newly renovated Sanctuary space to the community, Darlin’ Corey, a bluegrass, folk, and Americana band, will perform on March 24 at 7pm. The ear-appetizer will be a few tunes played by the Maine Coast Waldorf High School Acoustic Band. This is also a perfect way to see a Portland band, but with less driving and easier parking—not to mention amazing acoustics and comfy, new seats. Tickets are just \$16/adult, \$10/child. *Bon appétit!*
