

EVERGREEN HOLIDAY FAIR – 2017!

We are trying to be proactive for this year's Evergreen Fair, and have a few requests:

- If anyone has 100 % wool yarn, not super wash, that can be rolled for clothes dryer balls, please let us know.
- Does anyone have an idea of where we can get wreaths?
- Also, if you are creating anything, how about an extra for the fair?

Any questions? Able to contribute?
