## *Come Join Our Women's Community Connect Event*

7pm @ First Universalist Church of Yarmouth

.....

Kate Sarton & Threads Worldwide  
will be hosting an evening of connection, conversation, and inspiration  
to help you create your vision and plan for 2017.

Come meet your community of passionate women committed to living  
our best lives and contributing to a better world.

Threads Worldwide creates life changing work for women around the  
world through the fair trade of artisan jewelry. We believe that global  
transformation begins with inner transformation and that together we  
can change the world.

Join us for snacks, visualization, and conversation focused on specific  
ways that we can all come together to make 2017 extraordinary for  
ourselves, our families, and our local and global communities.

Experience the magic that is created when you bring a room full of  
women together with the shared vision of a compassionate, fair and  
abundant world.

Please RSVP so we have an estimate number of guests.
