## LETTER WRITING CLINIC

Do you want to write a letter to the editor of a newspaper? Or share your opinions with one of your legislators in Maine or Washington D.C.? Or recommend a friend applying for a job?

Sometimes it's helpful to run a draft by a friendly eye before sending it out. Other times, it's hard to know where to start! Bring your ideas and pen & paper or computer. Sharing your thoughts is important; crafting them in community can be helpful.

FREE. Sunday, Feb. 26, 9:30 a.m.
