

## 2016-2017 Individual (Employee) Membership Application

For more than 75 years, NPGA has helped propane companies face industry challenges head-on. We believe employees of our member companies benefit when they are exposed to and kept abreast of the legislative and regulatory issues affecting their employer and the industry as a whole.

Individual Membership in NPGA is made available to designated employees of NPGA corporate member companies. This is a cost-free benefit offered to corporate members. For an employee to qualify for membership in this category, he or she must **1) be recommended for membership by their company's accredited representative to NPGA**, and **2) be a full-time employee of a dues paying member of NPGA in good standing**.

Individual Membership has to be renewed on an annual basis, in accordance with the bylaws of NPGA.
