9-BALL BILLIARDS CHALLENGE

Benefiting the Kyle E. Fisher Fund at Ability Connection Colorado

GOODNESS...

Hosted by the Colorado Professional Firefighters, Denver Firefighters Local 858 and Wynkoop Brewing Company, the Great Balls of Fire 9-Ball Billiards Challenge is all about the goodness in people, who want to make a difference in the lives of children and their families.

- Benefits the Kyle E. Fisher Memorial Fund, established by Brian & Kelli Fisher in honor of their son, Kyle, who was born with cerebral palsy.
- Proceeds provide critical and comprehensive early education for at risk children ages birth to 5 who otherwise would not receive these services.
- Share the spirit, courage and joy for living and learning that Kyle embraced every day of his life.

GRACIOUS...

The graciousness of our sponsors and contributors make Great Balls of Fire 9-Ball Billiards Challenge a winner!

- Your company's participation supports children in need and is a great opportunity to meet new friends, clients and future customers.
- Winning exposure for your company amongst your industry peers.
- Eighty-eight cents of every dollar goes directly into the Kyle E. Fisher Memorial Fund.

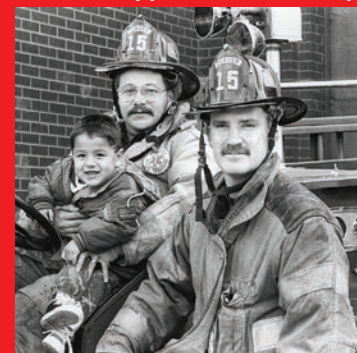

GREAT BALLS OF FIRE!

Fun always breaks out when your clients and employees team up for the Great Balls of Fire 9-Ball Billiards Challenge at Wynkoop Brewing Company for an afternoon of friendly competition at the pool tables.

- Sports celebrities
- Denver Broncos Cheerleaders
- Fabulous food
- A silent auction
- Grand prize for the winning team!

We invite your business to sponsor The 24th Annual Great Balls of Fire 9-Ball Billiards Challenge — guaranteeing your company's name is in play at the hottest table in town!

Thank You to All of our Firefighters For 24 Years of Support and Friendship!

A PROGRAM OF ABILITY CONNECTION COLORADO

Your sponsor dollars at work! **BRIGHTER FUTURES BEGIN HERE!**

At four locations throughout Aurora and Denver, Creative Options Centers for Early Education serve children of all abilities and economic circumstances. Our mission is to facilitate individual development for children through family support and a nurturing educational environment. We focus on a child's individual strengths, while promoting his or her social, emotional, cognitive, communicative and physical development.

Creating Outcomes & Opportunity

- 100% of the children enrolled in our programs are screened for developmental and health concerns resulting in early discovery of any delays or potential delays, and the opportunity to provide early intervention.
- Children preparing for kindergarten demonstrate 93% proficiency in literacy, language development and developmentally appropriate social emotional behaviors.
- By offering parenting classes and support, parents learn about their child's development while developing their own life skills.

CREATIVE OPTIONS HELPS CHILDREN & FAMILIES SUCCEED! **TRUE STORIES**

Just recently I was as invited to my son's school to watch him go up on stage to receive an award for academics. This was one of the most proud days of my life. I owe this all to Creative Options. With their help and encouragement, I learned to be a better mother and understand my children. The best thing that happened to me is my self esteem has grown a lot. Thank all of you for helping us succeed in life!

Creative Options has not only taught our daughter a thing or two, but our whole family has learned how to grow together, help out and be of service to our community. With the support of the terrific people in this program, I will be able to take the skills they have given me and continue to show my children that if you apply yourself and use kindness, anything is possible.

A young girl came to us in the beginning of this school year with a bit of a rough start. A pattern of behaviors were observed which were often disruptive, sometimes even violent. After a number of evaluations by our developmental services team and several meetings with the girl's family, we were able to help find the necessary resources to refer and support the student in accessing comprehensive mental health services. As a result, the student no longer exhibits the negative behaviors and the family is grateful for all the support.
