

Jason Williams

Tennaqua Day Camp Director & Assistant Manager

Jason Williams currently works full-time as a Technology Coach at Country Meadows Elementary School in Long Grove. He has his undergraduate degree in Elementary Education and has 4 years teaching experience ranging from Pre-K through 8th grade. He has a Master's degree in Curriculum Technology and Education Reform and is currently working on a second Master's in Literacy Education, emphasizing in English Language Learning and Bilingual Education.

Outside of the classroom, he has enjoyed working with kids by directing children's musicals at a community theatre, being a park supervisor for the city recreation department of Ottawa, IL and even working at Disney World as a character performer for a number of years! He is excited to spend this summer with the kids at Tennaqua!
