GAPPA 2018 Annual Meeting and Trade Show

Early Registration Deadline is May 1, 2018

President's Letter

Members:

The 35th annual GAPPA conference is fast approaching! I want to encourage you to join us on Jekyll Island for what is shaping up to be a great show this year. Our conference dates are May 26 through May 30, 2018; with the Exhibitor Trade Show Hall open right in the middle on May 27 & 28 at the Jekyll Island Convention Center overlooking the beach.

Our theme this year is **Striving for Facilities to Promote "Student Success."** At the end of the day, the only reason we have buildings to maintain is because we are educating students. Our building designs and maintenance should always reflect that. GAPPA has 101 exhibit booths this year and nearly 50 sponsors that will be there to help you with ideas, new technology, faster and efficient methods of solving old problems, and more.

We recognize that institution budgets, in particular travel and hotel funding, can sometime be obstacles, so we have again approved and set aside funding for stipends this year to help support your travel and stay for the GAPPA 2018 Annual Meeting and Trade Show. The stipends provide up to \$800 per individual, with a maximum of two stipends allowable per institution, to support travel and/or lodging for members. I encourage you to apply early, as there are a limited number of stipends available.

So, please plan on joining us, and invite a co-worker to this exciting and beneficial opportunity, which includes:

- A broad spectrum of **educational sessions**,
- **Keynote speakers** representing national APPA,
- Opportunities for **peer networking**, and
- A chance to learn the latest **industry innovations** from business partners.

And bring your family, because there will be time for fun in the sun and plenty for all to do on Jekyll.

We look forward to seeing you all on the island!

Harbin Farr, President
GAPPA 2016-2018
