

Fitzgerald – Ben Hill Chamber of Commerce 2018 Sponsorship Levels

Our goal is to further the business interest of our members. We believe there is no better way to build a better community and improve the quality of life in Fitzgerald and Ben Hill County than by strengthening and supporting our local businesses.

We rely on sponsorships from our members to fund the majority of our budget. We consider all of the money that we receive as an investment from our membership. It is our great responsibility to ensure that every member receives a return on that investment. We want your sponsorship to be the best money that you spend all year.
