(St. Louis, MO) – United 4 Children, launched its Annual Campaign to raise \$5,000 to help reduce educational inequities in Missouri and Illinois.

“We believe that all children, regardless of zip code, income, race or ability, deserve fair and inclusive opportunities to success in school and life. We ensure that nearly 20,000 children and youth each year have safe, engaging places to learn and play after school, healthy meals (sometimes their only meal), and social-emotional and inclusive services for children with special needs,” says Dawn Winkler, Executive Director of United 4 Children.

About United 4 Children: United 4 Children improves the social, emotional, physical, and educational well being of at-risk children by enriching the knowledge of families, teachers, and caregivers. United 4 Children envisions a future where all children achieve educational and life success.
