

How Does iLEAD Exploration Support High School Parents and Learners?

Successfully navigating high school for your homeschool learners.

Join Mayli D. Levin, M. Ed, iLEAD Exploration High School Director and homeschooling veteran since the early 1990s along with a panel of iLEAD Exploration high school parents and learners to get the support and answer all your burning questions about homeschooling high school.

Questions:

- Why choose iLEAD Exploration for high school?
- What if I'm new to homeschooling high school?
- Can I teach subjects like algebra and biology?
- How can I create the perfect learning program customized just for my high schooler?
- What will be expected of me and my high schooler?

AND Answers:

- Keys to early graduation & college head starts.
- What colleges look for NOW.
- Concurrent enrollment.
- College admissions.
- AG Track, A-G Track, I-B.
- AP exams and CLEP exams.
- Class choice.
