

# **Heavens Hoofprints Equestrian Center: Lesson Program**

## **What happens in a Lesson:**

Lessons take place in a private or group session.

Students learn to halter, groom, saddle, and ride a horse.

Students will learn how to communicate and move a horse with their eyes, hands, and legs. It is a full body exercise and a great sport.

Students will be introduced to different horsemanship patterns, lateral work (technique work), trail obstacles, gymkhana games, jumping, obedience games, and trail riding in the mountains.

## **When do lessons take place?**

Lessons are held Monday through Saturday

We offer morning and afternoon sessions

## **Lesson Prices:**

\$145/month Group

\$210/ month for private

Students come to lessons once a week for 1 hour and fifteen minutes. This includes 30 minutes for grooming and saddling, 30 minutes for riding, and 15 clean up.

## **How Do I sign my Student Up?**

Students can join a group lesson class that is already in place.

If you have 2-4 riders ready to start a lesson and that want to be together, then we can discuss what day and time you would like to create a new lesson class.

If you want private lessons, we will pick a day and time that is best for you and us.

It is recommended that beginner students start in a private lesson for 3 months, and then join a group lesson. This allows students to learn all their foundational skills one on one with an instructor.

## **Heavens Hoofprints Horse Party**

Sign up for a horse party for your birthday, a special event, or something fun to do with friends.

### **Party Packages?**

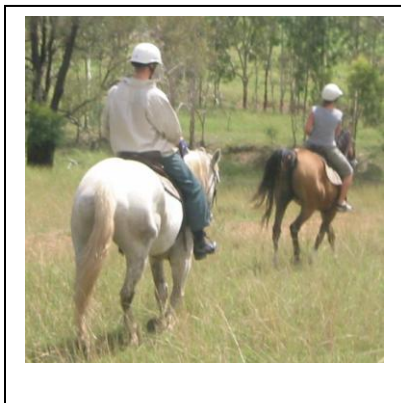

### **Party Package #1 & #2:**

For 10-15 riders at a party: Party includes participants will get to ride and groom a horse, paint a horse shoe and take home, and play a game picked by the birthday child (i.e. finger-paint a real horse, have a piñata, stick horse races, or bob for apples relay). All kids get to ride (while being lead) for 15 minutes through our obstacle course that we set up. We walk, trot, go over poles, around cones, and ride backwards! Birthday child gets to ride twice. All riders receive a personalized horse medal. Party also includes 5 tables and chairs for up to 25 guests to sit, a present table, and a food and drink table. Enjoy your party under our beautiful tree canopy that overlooks the arena the kids ride in. This is a favorite party package for all guests enjoy.

All ages can participate. Total Cost: \$250-\$375

### **Party Package #2: Trail Riding \$40/ per rider**

For 5-8 guests. Trail ride for one hour. This party is for guest that are 7 years and older, and can include adult riders. We will have all horses saddled and ready to ride when you arrive. A guide will take your group out for a 1 hour trail ride. See the beautiful countryside, return to the ranch to paint a horse shoe and take home, and guest get to enjoy one game that the birthday child picks.

**Book your Horse Party?** Call us at 661-645-0278 or email us at [HeavensHoofprints@yahoo.com](mailto:HeavensHoofprints@yahoo.com) and reserve your party today. Parties held on Friday or Saturday afternoons!

## **Scout & Homeschool Horsemanship Program**

We have developed a Girl Scout, Boy Scout, and Home School Horsemanship program based on the Girl Scout and Boy Scout outline in earning a horsemanship patch and badge. This is an introductory class to horses, horse care, and horsemanship.

- We set up 4 stations and have an employee at each station lead the kids through the stations. There will be 30 minutes given for each station.
- There will be 3-6 kids participating at each station, and up to 24 kids can participate in one event.
- Each participant will get a name badge with their name, group number, and the order of stations they will be going to. The participants will also get a little handbook, it is simple and fun. The material reviews what the students learned on the ranch. It also includes a level 1 certificate of horsemanship on the back of the handbook. The kids will have to name 5 safety precautions while near a horse, they will have to name a type of hay horses eat, and they will need to tell us 3 things horses need to be healthy. They will also have to be able to mount, ride, and dismount a horse to get a signed certificate.

The stations include:

### **Station 1: Horse Husbandry:**

All the kids will learn what it takes to care for a horse. Our staff leader will talk to them about the type of housing horses live in, the different types of food horses eat, and the importance of caring for the horse's health.

### **Station 2: Horse Grooming and Saddling:**

There will be 1 horse in which the students will be shown how to properly groom (brush) and saddle a horse. Every student will get the opportunity to groom a horse.

### **Station 3: Horse Shoe Painting:**

The kids will get to paint and decorate a horse shoe and take it home as a souvenir.

### **Station 4: Horseback Riding:**

We will have each group, 3-6 kids, ride together in an enclosed arena for 30 minutes. Each rider will get a basic lesson on mounting, riding cues to communicate with the horse while riding, they will learn to walk and trot on the horse, and we will play some fun riding games.

**Cost:** For 5-11 participants: \$35 per participant

For 12-24 participants: \$25 per participant

**To Book an Appointment:** We offer these classes on Friday and Saturday Afternoons by appointment. Please call or email to book a class. Our email is:
