

Girl Scouts Cadette: Silver Award

Hospital Book Drive!

Help me help those in need by giving them the joy of reading while recovering.

Hi, my name is Bella and I'm a Girl Scout Cadette in troop #11234. I'm currently working on a hospital book drive to provide patients with books to read while they're in recovery. I will be collecting for the Pediatric and Burn Unit at a local hospital. We are asking for all genres of books, but especially children, teens and young adults. We ask that the books being donated can be used, but we ask that they are in good condition (no missing pages, covers or writing in the books). We are also accepting cash donations to help pay for the book cart that we will also be providing with the books.

We will start accepting donations, books and/or cash donations starting on May 22nd 2017. Myself and my troop will also be walking around the neighborhood on May 24, 2017 to collect books, too! Thank you for your support!
