

Dear 7th and 8th Grade Families,

Our 7th and 8th Grade will be traveling together to PALI CAMP! The 3 day/2 night overnight trip is scheduled for Oct 3- Oct 5, 2016. The overnight Field Study trip incorporates the seventh and eighth grade standards into an exciting, adventure packed journey!

Pali Institute offers a customized program to suit our school's requirements, providing around the clock supervision and instruction, allowing teachers to relax, observe and engage with their students in educational activities. What makes the Pali Institute experience unique is the ability for our school to choose classes that best fit our learners current curriculum. Through our intensively developed program and qualified Outdoor Education staff, your child will gain independence, learn about the world around them and have a fun and memorable camp experience.

The cost of this two night trip is \$360.00. Included in this trip, is cost of the bus, the program fee, overnight accommodations, and all meals. If you are interested in sending your learner on this fantastic experience, please fill out the section below and return it to me. I will put your learner's name on the "Interested" list and will send a confirmation once payment is received. Payment is required no later than Sep 15th, 2016, as I need to give the final number of learners attending to PALI, and fill the waitlist.
