## About Variety

**Variety—the Children's Charity of Wisconsin** serves children challenged by physical disabilities.

The **Freedom Program** encompasses mobility, communications and experiences. It provides funding for necessary medical equipment, such as wheelchairs, walkers, and adaptive bicycles.

The **Care Program** helps to improve the health, wellness and quality of life for children with physical disabilities by funding therapy services and medical or orthotic equipment.

The **Future Program** focuses on education, experiences and play. It provides free outings to museums, professional sporting events, movies and other fun and educational places.

**Chatter Matters! Communication Camp** helps children who use speech generating devices become better communicators.

All proceeds from this outing benefit Variety programs and help ensure that every child can experience all the joys of being a kid!

Learn more at [www.varietywi.org](http://www.varietywi.org).

**Thank you for helping kids in need!**
