

# INVEST FOR PUBLIC HEALTH

## Two Innovative Financial Solutions

Iroquois Valley Farms is a restorative farmland finance company providing secure land access to organic family farmers, with a focus on the next generation.

Iroquois Valley Farms deploys private investment capital to facilitate farmers' expansion plans through secure lease or mortgage financing. The Company has a ten-year track record of commitment to social and environmental responsibility demonstrated first as a Certified B Corporation and more recently as a Public Benefit Corporation. The Company's public benefit is enabling healthy food production, soil restoration and water quality improvement by establishing secure and sustainable farmland access tenures.

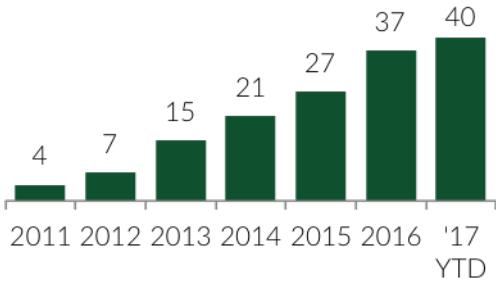

### SOIL RESTORATION NOTES

- Fixed income security issued by operating company
