# Getting Started: iPhone and iPad App for msdsBinders

1. Visit the Apple App store on your iPhone or iPad. The msdsBinders App is Free for customers. Search for msdsBinders. Click **Get**. Click **Install**. Click **Open**.

2. Enter your email address for your msdsBinders account. If you have a registered account it will prompt you to enter your password the first time you access the App.  This is all you need to access your company's site. The App will remember your login each time you access it.

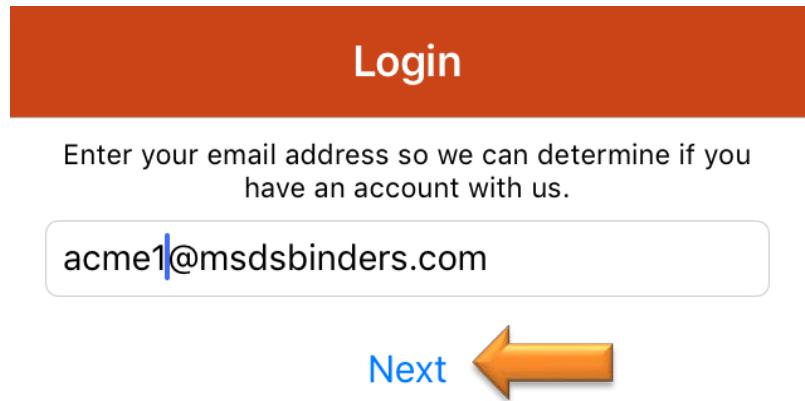

3. If you forget your password, you can reset it by clicking on Forgot Password. An email will be sent to the email you have entered to reset your password.

4. If you use a generic username and password to login you need to register as a user. Enter the generic username and password and click submit.

**< Login    Registration**

**acme1@msdsbinders.com**

The email address entered is not registered.

You will need to enter your company's generic end user account's username and password to continue.
