7. You can set-up an offline binder to have access to SDSs when you are without a Wi-Fi or cellular connection.

Touch the menu icon and select offline binders.

Choose the  symbol on the top right-hand corner of the app.

Select the binder you wish to download.

Click okay. It will take a few minutes for your phone to download the SDSs. Be patient.

8. You can view your user profile by clicking on the

menu icon .

A user does not need to log out.

Logging out will result in loss of your off-line saved binders.
