## Friendship Women Summer Season

JUNE 13 - JULY 25, 2018 9-11:00 AM in Lakeview Clubhouse

### FAITHFUL WOMEN & THEIR *Extraordinary* GOD

*Noël Piper*

Join other women this summer to read together a very special book, *Faithful Women And Their Extraordinary God*. In this powerful book, you will discover the stories of five ordinary women — Sarah Edwards, Lilius Trotter, Gladys Aylward, Esther Ahn Kim, and Helen Roseveare — who trusted in their extraordinary God as He led them to do great things for His kingdom. The author, Noël Piper, holds up the lives and deeds of these five amazing women as examples of what it means to be truly faithful. Learning about these women will challenge readers to make a difference for Christ in their families, in the church, and throughout the world. Noël Piper is the wife of pastor and author John Piper, mother of five, and grandmother of twelve.

There is such a power in reading biographies. We are encouraged in Hebrews 13:7 to “Remember those who led you, who spoke the word of God to you; and considering the result of their conduct, imitate their faith.” This summer we are going to have the wonderful opportunity to remember and be led by five women who believed in an extraordinary God. Our lives will never be the same as we engage in this journey together.

Each week we will read one chapter in *Faithful Women And Their Extraordinary God*, focusing on one of the five women. Then we will meet from 9-11 AM in Lakeview Clubhouse and share together in a discussion of all we have learned about these powerful women and their faith in an extraordinary God. We will discover their challenges, victories, and the secrets to their faith in God.
