

Outreach & Enrollment Events

Maryland Health Connection, the state's official health insurance marketplace, invites all elected officials to join us at community events throughout the state. Navigators and consumer assistance workers are busy working in their communities to educate their neighbors about the importance of enrolling in health care. We'd be grateful for your support at any of the events listed below. For details or to let us know you're attending, please contact Jenny Mancha, Outreach Coordinator, at Jenny.Mancha@maryland.gov.
