Seminar Agenda:

Jerry Powers, Staff Director of the Drug & Alcohol Program in the Office of Railroad Safety at FRA, will provide information on this final rule, published on June 10, 2016. The rule expands the scope of FRA's alcohol and drug regulations to cover employees (including contractors) who perform railroad maintenance-of-way activities as required by section 412 of the Rail Safety Improvement Act of 2008. Topics include: the history of the rule; Part 219 requirements; the timeline with important dates; the role of associations like NRC; and next steps.

There will be a presentation and time for Q&A afterwards.

This seminar will provide information on the Final Rule and walk contractors through all of the requirements of the rule, including:
