

Reward Yourself

Our CU Rewards Credit Card offers for a multitude of ways to reward yourself. You'll earn 1 point for every \$1 spent!

Rewards include Points-to-Cash, Purchasing Bonus, Travel, Airfare, Merchandise, and Gift Cards.

Points-to-Cash: redeem your points for cash. Cash can be deposited into your deposit account, or can be used to make a loan or credit card payment.

Purchasing Bonus: for every \$500 you spend, you'll receive incentive points equal to 2500; rather than 500 points.

Travel and Airfare: earn double points when you book your travel through Montrose Travel on the [CU Rewards website](#) (points will be awarded after your travel is completed.) When you use points for travel, you can use points and pay the difference with your credit card. You can apply as few as 5,000 points.

Merchandise: choose from a vast array of merchandise directly from the CU Rewards website.

Gift Cards: View and purchase your gift cards from the [CU Rewards website](#). The cards will mail via the US Postal Service.

Redeem points online through CU Rewards. (<https://www.curewards.com>)

Points have up to a 4-year expiration. The expiration date is always the last day of the year. Your points' expiration date will display on your visa statement each month. Points fluctuate automatically based on your purchase and return activity.

To view program rules, points accrued and points redeemed logon to [PC Connect](#) and view your Visa information, or go directly to the [CU Rewards website](#). There is also an app on Google play and Apple for the **CU Rewards** program.
