

## Regis High School Booster Club

### Please show your support for the RAMBLERS!

This past school year was another great season of accomplishments for Regis students both academically and athletically. Many athletic teams and individuals earned conference, regional, and sectional championships, and athletes/teams from Girls Tennis, Boys Soccer, Boys Cross Country, Volleyball, Boys Tennis, Girls Soccer, and Track and Field participated in state competition. Congratulations to the Volleyball team and hurdler Isaac Michels who finished as State Runner-ups, and Track and Field place-winners Zach Yengo, Jack Nicolai, Andrew Ernstmeyer, Hayden Reinders, and Tommy Schmidt. With enthusiasm and anticipation, we look forward to the continued success of our student body during the 2018-2019 school year – GO RAMBLERS!

Sponsorship revenue is the Booster Clubs largest fundraiser and helps support Baseball, Basketball, Cross Country, Football, Golf, Hockey, Soccer, Softball, Tennis, Track and Field, Volleyball, and Wrestling programs at Regis. Additionally, the Booster Club supports co-curricular activities such as Dance, Forensics, One-Act Play, Faith Council, Pops Concert, National Honors Society, Pep Band, Regis Catholic Schools Auction, and Senior Lock-in. Some items funded last year includes uniforms, equipment, transportation, and the Track and Field of Dreams.

Sponsorship levels below will be listed in our official sports program that is distributed at all home football, basketball, hockey, volleyball, and wrestling events. This includes tournament playoff games which increases the exposure of Regis Catholic Schools and our generous Sponsors. In addition, businesses that sponsor at the Platinum level will have their logo placed on a sponsorship banner that is displayed at all home athletic events as well as at other Booster Club activities. With fall sports starting in mid-August, it is important that those who wish to sponsor at the Platinum level submit their request by **August 31, 2018** to ensure that your name and/or logo appear on the fall sports sponsorship banner. Sponsorships received after this date will be added later in year.

---
