

# 2018 Seedling Art Show

"I Have Something to Say..."

Many thanks to the 19 students who created a piece of original artwork for the annual Seedling Art Show and to their mentors who took such great care to convey those pieces to us. All 19 pieces were displayed and enjoyed by the 400 attendees on March 24th at the Seedling Fab Five fundraising event.

A lovely Certificate of Appreciation will be placed with your sign-in sheet at the school. Please present the certificate to your mentee!
