

## Someone You Know...

...could be a great Seedling mentor! You know the person we're talking about: the one that has the same big heart that you do. The one that keeps promises. The one that believes that anyone, including a child, can be an interesting friend. The one who will be open to the Seedling style of ongoing support and coaching.

It's only the first week of October, and there are already over 100 children on our waiting list all over greater Austin. We need to meet at least 100 new mentors between now and New Year's Eve to serve the special kids of our program. We particularly need mentors for

- two schools in Kyle
- three schools near Interstate 35 and Hwy 183
- a school near Interstate 35 and Stassney Lane
- a school near Airport and Springdale
- and, we need Spanish-speaking mentors!

Please encourage someone today to visit us at [www.seedlingfoundation.org](http://www.seedlingfoundation.org) or to call us at 512-323-6371. We can't wait to meet your friends!
