

Warm weather, fireflies, the aroma of outdoor cooking ~ these signs are all reminders that summer is right around the corner, and the school year is coming to a close. As you begin saying “so long” until August, be especially mindful of reminding your mentee that you will not see one another until the next school year. To help with this process and to make the most of your May visits, please enjoy these **End of Year FAQs** (*reprinted annually in the May Mentor Minute*).

Can I keep in touch in the summer?

My mentee is thrilled about summer, right?

What if I do/do not plan to continue mentoring next year?

Will I keep the same mentee next year?
