Volunteers Needed: RBBA relies solely on a devoted group of adult volunteers to help ensure that the organization remains structured and runs smoothly. RBBA is always looking for responsible and enthusiastic individuals to support and coordinate league events and activities.

Anyone can volunteer. Whatever talents or skills you have, RBBA can and will definitely use them! All parents or guardians of children involved in RBBA are strongly encouraged to volunteer. The best volunteers are those who are able to bring added enjoyment to the game simply by being themselves. Being a volunteer gives you the opportunity to be part of a great organization. We need you to keep this a successful program for the kids of Richmond and Spring Grove. It is not possible without you.
