

Richmond-Burton High School wants you to know we are hosting a St. Baldrick's event! There could be community members around you with a child who was diagnosed with cancer. According to the CDC, cancer is the number 2 killer for children aged 5-14 years old. Childhood cancer research is currently disproportionately underfunded by the federal government. St. Baldrick's is a charity that raises money for childhood cancer research by encouraging people to raise funds and shave their head at a St. Baldrick's event and stand in solidarity with cancer patients. If you're not interested in shaving your head, that's not a problem - you can help promote the Richmond-Burton event by talking with other community members about our unique event. Maybe someone you know is motivated to raise funds and shave in support of this great cause. Maybe someone has always wanted to be a part of something as risk-free as shaving one's head. All you have to lose is some hair. What a child has to gain from your donations is so much greater. After all, for you, there is no training necessary - think of running a marathon in support of a cause. This is hands-down easier; this is only hair! St. Baldrick's uses the funds to support laboratories for clinical research and makes clinical trials available to more children; furthermore, they fund fellowships for the nation's brightest cancer fighting researchers. Be a part of something great Monday, March 19th. Join us from 3:00-6:00 at the R-B high school auditorium to see what it's all about. Help make Spring Grove and Richmond go bald!

Click to go to the Richmond-Burton St. Baldrick's Page:
