- What are the pros & cons?
- What kinds of home-based businesses succeed?
- How to assess if it's a right fit for you?
- What do you need to do to start?
- How to find the money to finance your business?
- What permits are required?
- How to market yourself?

Whether you're interested in a full-scale home-based business or a supplementary part-time income, this class will help your home-based business succeed! The information given during this workshop is also applicable to those considering small businesses that are not home-based. All small business ideas are welcome and encouraged to attend.
