

18th Annual WARM HANDS PROJECT

November
1st-30th

WARM HANDS is the collection of new mittens, gloves, and hats for Mason County elementary school children. The items are collected during the entire month of November and then delivered to elementary schools throughout Mason County the first week of December.

The need for such clothing is high in our county and this is an easy way for all members of our community to help our kids stay warm and safe.

Our goal this year is to raise
**1200 Sets of
Hats & Mittens!**
