

# Beautification

Creating a more beautiful community in which to live, work and play

Each year, the Shelton Mason County Chamber of Commerce brings gorgeous flower baskets, street banners, and Christmas decoration that hang proudly in our community. These beautification projects show our sense of pride in our community and helps create a friendly environment for citizens and visitors.

In recent years, business community and individuals alike have contributed funds to cover the majority of the expenses associated with the installation and upkeep of the flower baskets, banners, and Christmas decorations. As this is such a large-scale community project, the Chamber again asks for everyone's involvement.

The Chamber's Beautification Committee is asking you to contribute to this very visible source of community pride. We are grateful for any amount you are willing to contribute to this annual effort. Cornerstone sponsorship opportunities are available for donations of \$1,000 or more and memorial flower basket may be sponsored for donations of \$200 per basket.

The Shelton Mason County Chamber of Commerce is a 501(c)(6) not-for-profit, not a charitable organization. All donations are restricted to the support of beautification programs. The entire project is funded by donations – no County or City tax dollars are allocated towards these projects.

Thank you to our community partners
