

# Natick SEPAC

[www.sepacnatick.org](http://www.sepacnatick.org)

- **Is your child struggling in school?** Do you suspect your child may have a learning or behavioral disability that may require them to receive additional support services at school?
- **Is your child currently on an IEP or 504** and wish you had a better understanding of the laws and process that the Natick School system follows to provide support services to your child?

Ruth Diaz, a speaker from the Federation for Children with Special Needs (FCSN), will help parents/caregivers learn how to navigate the process to request support services and understand the laws/guidelines surrounding support services and special education. Ruth Diaz is the Director of Parent Training and Information Center at FCSN.

Tim Luff, Assistant Superintendent for Student Services, will also be in attendance to help explain how the Natick School system translates and addresses some of these requirements.

- In order to prepare the correct amount of handouts, we would greatly appreciate **RSVPs** to [naticksepac@gmail.com](mailto:naticksepac@gmail.com), but please know you can also come last minute! All are welcome!
