

Together, we can build a Highline community where every child succeeds

Your support of *Graduate!Highline* is an investment in the community.

It provides opportunities for students to learn, grow, and ultimately *graduate* high school prepared for college, career, and citizenship.

In 2014, the graduation rate in Highline Public Schools was 62%. It has since climbed to 74.8% in 2016.

Help us reach a goal of graduating EVERY student by giving in the following ways:

Financial Sponsorship

Community Lead Sponsor \$5,000

- Prominent name/logo on *Graduate!Highline* shirts, distributed across the district to teachers, staff, students, and community members
- Prominent name/logo placement on 2017-2018 event materials and partner materials
- Spotlight feature and ongoing recognition in *Graduate!Highline* e-newsletter, prominent logo placement on website, and recognition on social media
- Invitation to *Graduate!Highline* community partners events and celebrations

Community Partnership Sponsor \$2,500

- Name/logo placement on 2017-2018 event materials
- Spotlight feature in *Graduate!Highline* e-newsletter, logo on GH website, and feature on social media
- Invitation to *Graduate!Highline* community partners events and celebrations

Community Supporter \$500-\$1000

- Name/logo placement on 2017-2018 event materials
- Recognition in *Graduate!Highline* e-newsletter, listing on website
- Invitation to *Graduate!Highline* community partners events and celebrations

Why give to *Graduate!Highline*?

Your financial contribution has a meaningful, lasting impact. It brings opportunities to more students, in significant ways, on the pathway to graduation. It provides: career and college exploration, transportation to and from out of school events (college campus visits, field trips and other workshops), food for hungry test-takers, after school enrichment activities for more students, social/emotional support, and family engagement support. We are committed to closing the achievement gap in order to see all students in Highline Public Schools succeed.

Other ways to support the movement:

- Provide incentives we can give out for student achievement- in the form of gift cards, tickets, t-shirts, food, or other swag!
- Career-oriented? Awesome! Come to a career day, be a class speaker, host a brown-bag lunch with an interested student, or provide an internship for a high schooler.
- Volunteer with one of our partner organizations doing great work in Highline Public Schools. Provide one-on-one or one-on-some mentorship to students in need.
- Put up a "Congratulations Graduates!" yard sign in your yard during graduation season. Contact our office to pick one up!
- Help us show our students their community cares by showing up to a *Graduate!Highline* celebration throughout the year. Hand out snacks, wave flags, cheer, and celebrate!
- Provide food for students who attend college-and-career preparedness events.
- Sign up for our monthly e-newsletter, and follow us on social media on Twitter, Instagram, and Facebook.

- Already doing work to prepare kids for graduation? Tell us about it! We want to help you continue that work.
