

**St. Peter's Meditation Labyrinth & Commemorative Walkway  
Order Form - 2018 Introductory Offer  
Engraved Commemorative Pavers**

In conjunction with the construction of St. Peter's Meditation Labyrinth, the church is offering commemorative engraved pavers to be installed in the apron around the labyrinth and as a commemorative walkway extending from the front steps of the church to the labyrinth. The pavers are intended as signs of celebration, above and beyond a "memorial."

The pavers are manufactured by H.C. Muddox in pattern "Smooth Radius Paver," color Monterey Bay Flashed. All pavers are 3-5/8" x 7-5/8" x 2", with engraving up to 20 characters [including spaces] on two lines.

All detail can be viewed on line at <https://www.hcmuddox.com/pavers/norman/smooth-radius-paver#colors>. These pavers, in a different color, can also be viewed at the Nevada State Railroad Museum.

The 2018 introductory offer price is \$250 for placement in the labyrinth apron or main walkway. Placement within the corner area to the south of the front steps is \$100. Prices in 2019 are anticipated to be \$350 and \$150, respectively. Please see the reverse side here for an Engraved Pavers Placement Diagram.

The first \$25 of your payment will cover production cost. The balance you may consider a donation, which will be used to support annual installations, maintenance of the Meditation Labyrinth, future Memorial Garden, and other compatible landscape installations.

The 2018 installation date is anticipated for late summer, upon completion of the Meditation Labyrinth. **The deadline for placing your order(s) is August 1st.** Please complete one order form for each engraved paver ordered. Please make you check payable to St. Peter's Episcopal Church, memo line "Engraved Paver(s)." Mail your order form(s) and check to St. Peter's or submit in the offering plate.
