## Transforming Lives Through Faith and Service

### Thank you Class of 2016-17

We are so proud of all that our current volunteers have accomplished this year. Through their dedicated service, they have been able to touch the lives of communities in need throughout our great state.

Many of our volunteers will be moving on to graduate school, others to their hometowns to spend time with family, and others will continue serving marginalized communities as hired employees in nonprofit organizations, ministries, or in the sites in which they served at Catholic Volunteers. No matter where the road takes them, we know they are in the good hands of the Lord and we are grateful for the opportunity to have served alongside them this year. As our CVs move forward in their journey, we invite you to join us in prayers of guidance, wisdom, and thanksgiving for their commitment to serve.
