

## **2017 FAME & Orff-Schulwerk Teacher Education Programs at Hofstra**

### **Credit:**

Students may register for graduate credit and the courses are three graduate credits each. Participants who **do not** wish to receive graduate credit may register for non-credit. Please note: Many school districts award “In-Service credits” to employees who successfully complete these non-credit courses. A certificate of completion is awarded to all credit and non-credit students upon successful completion of the course requirements. Participants should **carefully** consider whether to register for the graduate credit section or if they would prefer to enroll as a non-credit student. Those students wishing to enroll in the graduate credit section must be admitted as a matriculated or non-matriculated Graduate student and are held to the published tuition fee schedule for all graduate students.

### **Tuition and Fees:**

**Graduate credit students:** Tuition is \$1240 per graduate credit. The courses are three graduate credits each. Graduate credit students must also pay a \$165 University fee.

**Non-credit students:** A workshop fee is \$700 per course. The Orff-Schulwerk Levels courses are available for 60 Professional Development hours. The First Steps in Music and Conversational Solfege courses are available for 30 Professional Development hours.
