

CALL TO ACTION Talking Points

Governor Dayton,

- Thank you so much for the provisions in your Tax proposal to protect families with children and low-income taxpayers from tax increases that could result because of changes to the federal tax law.
- We appreciate the measures you propose to protect **Property Tax Refunds** for homeowners and renters which especially benefit seniors, people with disabilities, and families with children.
- Especially, thanks for including a proposal to increase the **Working Family Credit**. The **Working Family Credit** makes our tax code fairer and helps stabilize lower income taxpayers who struggle to make ends meet. Please make this a top priority in your negotiations for the final Tax bill!
