

WLS is hosting its fourth annual Jog-A-Thon! This fun event will take place on Thursday, November 8, 2018. Students and faculty will jog and/or walk to raise money for our school in addition to promoting a healthy lifestyle.

We are reaching out to all companies, foundations, local business and families with a great opportunity to support our school and community by making a 100% tax-deductible donation. We created multiple ways in which you can show support. Sponsorship banners will go up as soon as the sponsorship form and payment are received.
