

Blackbaud: Parent View Grade Book

To View Grades:

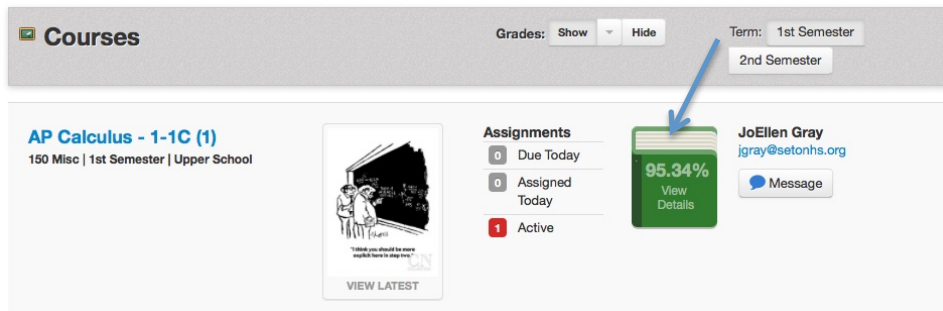

- From your Parent sub-menu, choose the child whose record you would like to view.

- From your Student sub-menu, choose Progress.

- You should see the class average show on the green Grade Book icon for each class. To see the assignment grades, click on this icon.

- The assignments for that class will appear in a chart form, but you can also see the individual grades at the bottom.
