

# FLORIDA CONFERENCE PATHFINDER DRUM PROGRAM

Revised: Pathfinder Year 2018-2019

Updated: 6/20/2018

## **GOAL:**

To enhance and help the Pathfinder clubs with a diverse, challenging and entertaining program. This program instructs young people, whom one day will be able to teach the next Pathfinder generation. The Pathfinder Drum Corps program is ongoing and fast growing throughout the Florida Conference. These guidelines will help clubs to have a clear and responsible attitude towards a fascinating and exciting program.

## **DIRECTORS:**

It is recommended that each Pathfinder Drum Corps upholds a set of membership policies and guidelines. All members are to adhere to it and acknowledge that it is a privilege to be a part of a Pathfinder Drum Corps. Membership is earned by following that Club's requirements, policies and maintaining all class levels up to date. The requirements in this manual are for Florida Conference Level Activities. Clubs are urged to follow the Church standards as we are involved in a positive witnessing ministry

## **MEMBERS:**

Performing members must be Pathfinders (E-Tracker or Varsity). Twenty (20) years of age or younger who are not yet invested Master Guides. Must be active and working in the appropriate Pathfinder Level, or involved in the club's leadership. Membership in a Drum Corps is a privilege and must be earned.

If a member's age is questionable, age verification must be available by the Drum Master.

**DRUM MASTER:** is the Adult Instructor who is 18 years of age or older and who is in charge of the Drum Corps

**DRUM CAPTAIN:** is a Pathfinder/Varsity 17-year-old or younger who is under the leadership and guidance of the Drum Master.

## **DRUM CORPS CATEGORY:**

There are two playing styles, Traditional & Corps, a club may play either. There are also two categories and the Drum Master must decide which one he will register his Corps under.

**JUNIOR DRUM CORPS:** A Drum Corps that has been active for LESS than three (3) years or 90% of its members have been active for less than three (3) years.

**ADVANCED DRUM CORPS:** A Drum Corps that has been active for MORE than three (3) years or its members have been active for more than three (3) years.

If a Drum Corps is at the three (3)-year date: The Drum Master decides at which category he will register the Drum Corps. A JUNIOR Drum Corps may also decide to enter the ADVANCED Category instead of the JUNIOR category. An ADVANCED Drum Corps may NOT enter the JUNIOR category. Please see the Rudiment section for required rudiments.

The drum instructor/judge will then give the full 30 points for rudiments or will give points according to how clearly and how well the rudiments are demonstrated by the section that executed said rudiments.

## **Things to know:**

Unless an official Executive Pathfinder Director or Drum Program Director invitation has been extended, out of Conference Clubs/PDC Must be active and registered with the Florida Conference, as clubs participating in the current Pathfinder Year.

In fairness to the other teams; If a Pathfinder Drum Corps Member looks older than actual age, then the Drum Master must be prepared to provide proper ID to verify the Pathfinder's age

A Drum Corps should always keep in mind that even though this is an event in which we compete; we do not compete against each other. The judges are not always looking for the best show, but rather who performs with clarity, sharpness and the best difficulty of the cadences Performed. Also, who is able to incorporate the required rudiments into their own original cadences?

Dancing or anything that resembles dancing could lead to a penalty. Improper behavior will not be tolerated from the PDC members nor the Club members or anyone. As Pathfinders we are to behave in a Christ like manner at all times, including when an undesired placing in the score was not reached. We must be respectful to our fellow Pathfinder Drum Corps and to the event staff, as we are examples of true Christian sportsmanship to all who witness our events.

A Pathfinder Drum Corps that enters any Conference event understands that there are rules of discipline to follow and policies that help the event run properly. Therefore it is understood that by registering to this event, you have agreed the rules and requirements. The Judges' ruling with the confirmation of the Program Director will be final.

# **Drum Corps Ribbon Bar**

## **GOAL:**

To officially recognize and encourage a Drum Corps Member with an award that can be worn on the uniform. A trophy will be given to the Club and Drum Corps; however this Ribbon Bar will be for the Pathfinder to keep. The adult Drum Master, or instructor, who worked closely with the Drum Corps, may also wear this Ribbon Bar.

## **REQUIREMENTS:**

The Pathfinder must be a member of an officially recognized Drum Corps meeting the current Florida Pathfinder Drum Corps requirements.

A Drum Corps will obtain an Approval for Purchase form signed by the DD (Drum Director). This form is a requirement for a Drum Corps to obtain the ribbon bars and stars. These awards will not be sold to anyone without this form. The Drum Corps Ribbon Bar and stars can be purchased from the Pathfinder/Adventurer Department. No Approval for Purchase form = NO DRUM CORPS RIBBON BAR AND NO STARS!

This is a very special and exclusive award that has been approved to be worn on the Pathfinder uniform and it is not to be misrepresented. This Ribbon Bar Award is exclusively for those Pathfinders and adult Drum Masters who have participated (performed) during the official Drum Corps event; they are the only ones authorized to proudly wear the Ribbon Bar.

The Drum Corps Ribbon Bar award must be worn with the Class A or B uniform. Stars are placed on the Ribbon Bar According to the number of years a member has participated in the Drum Corps. A ribbon bar with no stars signifies a brand new member of that Drum Corps.

The Drum Corps Ribbon Bar will only be awarded to Drum Corps that perform in the Official Yearly Conference Sponsored Red Zone event.
