

How to connect with us through Social Media

Our Pathfinders and Adventurers are out and about their Father's work and we want their light to shine bright even in this social media world!

We want to encourage you to **LIKE us on Facebook** or **Follow us on Instagram** to have access to some of your favorite content and share it with other club staff, parents and relatives across the globe

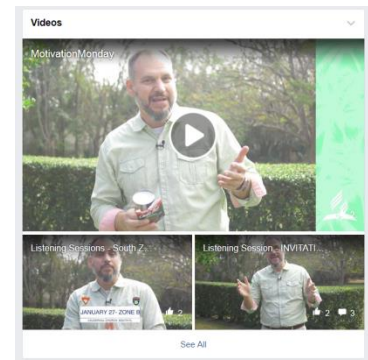

Content you will have access to:

Motivational/Devotional Video from our Director Pedro Perez, Associate Stephen Stewart and the rest of our Pathfinder and Adventurer family.

Up- coming Event Links as soon as an event is open for registration you will see it there first!

Pathfinder/Adventurer Spotlight and Feature My Club!

(Please continue to [email us](#) info or post it on Facebook and tag us by typing @FLPathfinders or @FLAdventurers.)

If your church or club does not currently have a Facebook page we highly recommend you start one.

Benefits of staying connected through social media:

Keep your staff and parents connected:

Share our events, important deadline and featured content

Share pictures/club memories with club members and family around the globe

Create events and/or send reminders/notifications

Opportunity to get the youth involved by using their tech savvy gifts

Opportunity to share about your club ministry in and outside your church community

We can't wait to see the wonderful moments you will share with us!
