

# Summer Science Shack Celebration!

Saturday, August 13<sup>th</sup> 2016

10 am - 4 pm

## AGENDA

### Lagoon Restoration Activities

#### **10 am - 11 am**

##### Habitat Restoration Event

*Join us in restoring Lagoon habitats with our wetlands restoration team. Explore and learn about the Lagoon's flora and fauna while making a difference! Close-toed shoes required for this event.*

#### **12 pm - 12: 45 pm**

##### Phase 2B Restoration Site Tour

*Tour the Lagoon with salt marsh ecologists and learn about the upcoming Phase 2B restoration project while enjoying the Lagoon's flora and fauna*

#### **1 pm - 1:45 pm**

##### Phase 2B Restoration Site Tour

#### **2 pm - 2:45 pm**

##### Phase 2B Restoration Site Tour

*\*All Restoration Site Tours will meet outside the Wetlands and Marine Science Education Center*

### Science Shack and Beach Party

#### **11:30 am - 3:30 pm**

##### Science Shack and Beach Party

*Come play beach games, make Lagoon arts and crafts, explore marine life in the Lagoon and fill touch tank aquariums of marine animals with FOCL naturalists. Learn about the life of a marine biologist from CSULB graduate students researching in Colorado Lagoon and learn how to conduct scientific investigations!*

*\*refreshments will be generously provided by local FOCL partners*

#### **3 pm**

##### Cannonball Contest

*Defeat FOCL Education Director in cannonball contest and win a FOCL T-Shirt!*

#### **3:30 pm**

##### Celebration Selfie Photo Contest

*Take your best selfie celebrating the Lagoon and get it featured on FOCL social media!*

### Phase 2B Conceptual Restoration Plan
