UNWAVERING SUPPORT

FOR UNCOMMON HEROESTM

Commander's Corner

Comrades, Happy New Year!

As we say hello to 2018, let us all pause to remember those that we lost in 2017.

2018 is set to be another great year in the VFW, and more specifically with Post 7356. The National Convention will be in Kansas City this coming July. Our annual golf tournament in August (meeting coming up soon to those interested in participating), Bus trip to Michigan, including the National Home in **May 7 to 11th as well as mark your Calendars for Saturday April 7th for our Annual Youth Scholarship Dinner**. We will be honoring the Voice of Democracy, Patriot's Pen Students and the Teacher of the Year.

Breakfast crew reminder - if you would like to play an integral role in the success of our post, please volunteer to serve on the breakfast crew. We hope to start serving breakfast again on March 24th but will need a new crew of 6 to help take this on. If interested, please let Tara, Bob or myself know.

Beginning on **Thursday, January 11th**, we are bringing back an old tradition – **Commander's Call**. The post will be open from 6-9 pm for us all get together in a non-meeting setting. Come hang out, catch up with old friends, play games, bring a friend, and have a beer. The hope is to continue this on the second Thursday of each month throughout the year.

Let's make 2018 the best year yet!

Lowe's Military Discounts Update Program Expansion & Changes

National home improvement retailer Lowe's has expanded its everyday military discount program to include all honorably discharged veterans, as of May 2018. The chain also has expanded the 10 percent discount to Lowe's online shopping, which will include free parcel shipping. It will provide for faster checkout and add the ability to use the discount at self-checkout in stores, said Lowe's spokeswoman Karen Cobb. But the procedure for getting the discount has changed: Active-duty service members, retirees and veterans must sign up online at <https://www.lowes.com/mylowes/login?context=military> for the Lowe's personal shopping card to qualify for the discount. This is not a credit card. If you do not want a card you have the option of using your phone number.

Spouses and dependent children up to age 18 can also get the discount, although the online signup process doesn't include an option for spouses or children. "The discount is linked to a MyLowes account, which can be shared by a household," said Megan Lewis, a Lowe's spokeswoman. "Once the service member signs up for the discount program, it will be linked to a MyLowes card that can also be used by their spouse."

Lowe's has offered discounts to military members and veterans for more than a decade. Previously, the 10 percent discount at Lowe's was available every day to active-duty service members, retired military and other veterans receiving VA benefits who showed their identification. For other honorably discharged veterans, the discount was limited to three days – Memorial Day, July 4 and Veterans Day. "The verification process is designed to be a simplified one-time signup," Lewis said. "Military and veteran customers can simply present their MyLowes card at checkout rather than show military credentials each time."

Lowe's is phasing out the practice of presenting the ID at checkout, Cobb said. The website notes that Lowe's used a third party to verify eligibility for online enrollment, and may require additional documentation. In announcing the change, Robert A. Niblock, the chain's chairman, president and CEO, pointed to the business's founder, Army veteran Carl Buchan. "Enhancing our discount program honors his memory and the commitment servicemen and women and their families make to our country," Niblock said

Auxiliary Information

South Platte Memorial Post 7356 Auxiliary

It is hard to believe that we are into 2018! I hope that everyone had a wonderful Christmas and made it thru the recent bitter cold weather without any major problems.

Auxiliary life member, Billy Clark, passed away on December 3rd. A celebration of life was held for Billy on December 23rd for her family only. Our Auxiliary made a \$50 donation in Billy's name to the VFW National Home for Children. Billy worked very diligently for 7356 Auxiliary, especially on the Annual St. Patrick's Day Dinner. After discussion at our December meeting, a motion was made and passed, that we honor Billy by changing the name of our St. Patrick's Day Dinner to the Billy Clark Annual St. Patrick's Day Dinner.

At our December 2017 meeting the drawing for the conversion to life membership was held. The winner of the drawing is Tina Dawson. Congratulations Tina – you are the latest life member of the South Platte Memorial Post 7356 Auxiliary! And, we are very pleased that our membership ended the year at 100% with 68 members! We are always looking for new members. Please let Mary Helbock or myself know if you know of someone that would like to join our Auxiliary.

The Annual Christmas Party at the Cameron Veterans Home was held Sunday, December 10th from 1 to 3 pm. VFW 7356 Post and Auxiliary members visited with residents, and the Boy Scout troop entertained with various songs and Christmas carols. A full report will be included in the February newsletter as Linda Eckerle, chairperson, was not at our December meeting.

The next projects for our Auxiliary will be the Billie Clark Annual St. Patrick's Day Dinner on Saturday, March 17th from 5 to 7 pm, and the Family Freedom Festival. Please let me know if you would be interested in helping with either event.

The VFW Post hosted delicious meals at 6 pm prior to their monthly meeting in November and December, with Auxiliary members invited. We have been treated to chili and lasagna the past couple of months. A huge thank you to Post Senior Vice Commander, Tara Arteaga, for the wonderful dinners.

Our next Auxiliary meeting is Thursday, January 25th at 7 pm. This is our regular meeting date I hope to see you at our next meeting. We would love to have you attend.
