

# ECA Homecoming

## Parent/Student Dress Check Information

(December 16, 2017)

Our 2017 Homecoming is just around the corner and preparations are already underway to make this a great event for all who attend. This year's Homecoming comes with lots of fun, excitement, and the big hunt for beautiful dresses and....DRESS CHECKS. We appreciate the time and energy you put into making your daughter's dress fit the guidelines that have been put into place.

A small committee of faculty/staff (women) will be checking the dresses. They will be helping the girls determine if their dresses are within the guidelines of the ECA Dress Code. All dresses must meet the ECA guidelines...NO EXCEPTIONS. During dress check, girls should wear the undergarments that they will be wearing for the Homecoming. **On the night of the event, girls are required to wear the dress that was approved by the dress check committee. Failure to do this will result in dismissal from the event. It will be the responsibility of the parent(s) to provide transportation.**

We have attached a copy of the ECA Dress Code for your convenience and it is your responsibility to review the standards. Please make sure you take the guidelines with you when you go shopping. If you buy a dress that you know needs altering, please do so **BEFORE** dress check so we may see the finished dress as soon as possible. This will also eliminate the need for a dress re-check.

There will only be **two** dress checks. They will be held in room #219 (Art room). We will use the Ladies adult restroom for changing purposes. Times and dates are November 29, 2017 and December 6, 2017 from 3:30-4:30. There will be a 3<sup>rd</sup> dress check on December 13, 2017 from 3:30-4:15, but this only for girls who did **NOT** pass their first dress check. You may bring your dress to school and Mrs. Willis will house it for you in her office. If you are in a sport and it conflicts with the dress check dates, we will check your dress first. However, if you fail to get your dress checked due to a sport, that will not be accepted as a reason for missing dress checks and you will not be able to attend the event. **Any girl who does not get her dress checked on the dates set forth by the committee will NOT be able to attend Homecoming.** If your daughter's dress does not pass dress check and she does not come for the re-check, she will not be able to attend the event. Again, we understand that there may be some unforeseen circumstances that could keep a girl from making one of the dates. If this should occur, please contact Lynne Willis in the front office immediately. It will be up to the discretion of the dress check committee to determine whether the situation warrants another time. Unless your daughter is required to be back for a re-check, absolutely **ALL** dress checks need to be completed by December 13, 2017 @ 4:15p.m.

Graciously serving,

Lynne Willis
