Dear Local Business Owner,

On Saturday December 1st, our school will be celebrating our annual Winter Solstice, it's a fun filled event that helps our school raise funds that support us in providing excellent early childhood education.

We are reaching out to the local businesses surrounding our school in the hopes of collecting items for this event. We hope that you will consider making a contribution.

A Million Thanks for your support! Please feel free to contact us if you have any questions.
